Internal Medicine and Pediatric Medical Office
At the Brattleboro Retreat we believe in providing effective, compassionate mental health and addiction care that is based on scientific evidence and centered on you. Here on our safe, restorative Vermont campus, your well being motivates us while your courage inspires us.

We provide high quality meals to senior residents in Brattleboro and surrounding areas directed at accommodating their nutritional needs. The bulk of these meals are delivered to senior residents at their homes. The rest are provided at the Brattleboro Senior Center.

Our mission is to provide primary medical treatment to persons ages 18-64 in our community who do not have health insurance or who cannot afford their high deductible or co-insurance.

Hypnosis is an excellent therapy for you when losing weight, gaining self-confidence, relieving anxieties and eliminating fears, smoking and stress. It is perfectly safe and brings profound results. Change your thoughts ... Change your life! The state of hypnosis is deep relaxation during which the mind accepts positive suggestions. It has many uses:

1. **Weight Loss**: Hypnosis can help in controlling appetite, cravings, and emotional overeating.
2. **Self-Confidence**: Enhances self-esteem and personal power.
3. **Anxieties and Fears**: Relieves anxiety and phobias.
4. **Smoking**: Helps quitting smoking.
5. **Stress Management**: Reduces overall stress levels.

Residential Care home providing assisted living style services to people over 65 years of age.

At Horizon Dental we are committed to providing the highest quality dental care in an environment where compassion, comfort, and care aren't just words, they are a Promise.
