Nature & culture connection consulting & mentoring for individuals and groups. When the need for connection is met, people are more creative; we make better decisions, and are more resilient. This concept applies to us as individuals and as members of team. Put into practice, it will transform any organization into a thriving, innovative workplace.

The Vermont Center for Photography is a non-profit fine-art photographic gallery and resource center that features monthly rotating exhibits highlighting some of the region's finest talent. In addition to these exhibits, VCP boasts one of the regions' only publicly accessible darkrooms, a regular schedule of artist talks, lectures, demonstrations & workshops. More information online at [www.vcphoto.org](http://www.vcphoto.org).
